KNIGHTSBRIDGE APARTMENT

This stunning private luxury residence located in Knightsbridge has been designed by Laura Hammett for a well-travelled male client. The property, which features pieces from Laura's lighting collection 'The Facet Collection', is an extremely spacious three-bedroom lateral apartment. Showcasing the studio's signature classic contemporary design style and maximum elegance, the apartment has been configured to benefit from ample natural light and space whilst offering extra privacy thanks to elegant pocket doors dividing adjoining rooms. A subtle colour palette of neutral tones in nubuck leather, velvet and wool is complemented by deep blue hues and bronze detailing throughout; the warm metallic features, as well as the high-gloss timber finish, reflect the owner's personal taste whilst highlighting the rich heritage of the surrounding area.

Designed by Laura Hammett and completed in October 2020.
